

Rediscover Your World
through science, cinema, & exploration.

Science Cafes!

Science Cafés

Join us at the Bishop Planetarium at 7pm on the 2nd Wednesday of each month as we bring local scientists and the science-curious together for fun, enlightening conversations about topics you don't get to discuss every day. Snacks & drinks available for purchase. Free Event; RSVPs appreciated.

Upcoming Schedule:

July 14: Save Our Seabirds
August 11: Why Do we disagree about climate change?
September 8: Exploring the Future of Energy, Part 1
October 13: Exploring the Future of Energy, Part 2
November 10: Exploring the Future of Energy, Part 3

Film Series!

Family Events!

Bats Exhibit

May 22 – September 12, 2010
Blind, blood-sucking creatures that get tangled in your hair. Who wants to see an exhibit on BATS?! Visitors of *Masters of the Night: The True Story of Bats* soon find these beliefs to be myths. The exhibit explains that bats are actually gentle, beneficial little animals.

Snooty's 62nd Birthday

Bash: July 17 (10am-2pm)
Join us to celebrate Snooty & wildlife awareness. Featuring children's games, art activities, Snooty's birthday card contest, plus much more! Admission to the birthday party in the Plaza is free. Reduced admission prices to the Museum. Food & drinks available for purchase.

Gone Batty!

Family Night—September 4
Join us in welcoming Mindy Simmons for some fun new songs about bats and other friendly creatures. Explore the BAT exhibit and enjoy themed crafts and activities in the planetarium lobby. You may just get to meet a live bat—don't be scared, they're nice!
