Winning the battle against cancer. Tony's Triumph.

At age eleven Tony Colton was diagnosed with Clear Cell Sarcoma, cancer of the Kidney. Since that initial diagnosis, Tony has not only fought his personal battle against this disease but through his determination, faith and love he worked to raise money for other children battling cancer. Join us as we help this outstanding young man.

Tony's Mom, Connie, is a retired police officer from the Sarasota Police Department. After 15 years of service in Law enforcement she retired because of a nerve injury in her left arm. Upon retirement, Connie, a single parent, began to take in foster children. In 6 years she has adopted 6 children.

The proceeds from Tony's Triumph golf tournament will not go into a designated 501(c)(3) charitable account and therefore you will not receive a tax deductible receipt. All of the profit from this event will go directly to Tony and his mother to help pay for gas, food, rent or whatever they feel can help them make a their lives a little less stressful and more joyful. We ask that you give from the heart and know that your generosity will be appreciated by the entire Colton Family.
