

**A FUSION OF FASHION AND ART**

Michael's on Main announces the grand opening of their second location, which is at 1484 Main St. in Sarasota. The original galleria is located in Colorado.

Michael's on Main is a fusion of fashion and art, featuring both a fine art gallery and signature fashion styles in a single boutique setting. The Gallery encompasses the entire store, providing clients with the opportunity to view and purchase original works of art from nationally renowned artists as well as local emerging artists. The original gallery in Colorado earned a reputation for presenting extensive diversity in media and artistic style.

The new Gallery in Sarasota, which features Michael Gould's photography, maintains the reputation of artistic diversity in various media, including photography, oil paintings, watercolors, fabric collages, pottery, metal furniture works from Taos, Bronze sculptures, William Henry knives, and elegant artisan custom jewelry.

Michael's on Main boutique focuses on "wearable art", offering unique, one of kind fashion garments and accessories; Old Gringo Boots; embellished jeans/tops; designer bison handbags; custom belts; Mary Francis beaded handbags; and an extensive jewelry collection created by artisan designers using semi-precious stones and pearls.

Art cannot be contained on a canvas, but it washes over into all forms of artistic design and expression. The staff at Michael's has extensive experience in both the art world and fashion industry. Our philosophy is to listen to our clients and respond to their individual tastes and style. At Michael's, we believe that a gallery is not meant to be viewed, but experienced. We are here to assist our clients in expressing their own inner beauty, personal style, and creativity. Michael's on Main is where Fashion is an Art and Art is Fashionable.

Michael's on Main is offering so much more than just shopping. It is all about the experience!

Please accept our invitation to "Experience Michael's on Main!"
