BIG DOG RANCH RESCUE & Little West & Central FL

The mission of Big Dog Ranch Rescue is to provide shelter, care, and affection to homeless and unwanted dogs of all breeds and to adopt them out to loving human companions. In support of those objectives, they also promote animal welfare and celebrate the special bond between dogs and people through education, awareness, and community outreach.

Big Dog Ranch Rescue is associated with the **Weimaraner Rescue & Adoption of Florida** and is a 501(c)3 non-profit organization.

Big Dog Ranch Rescue is one of Florida's largest **NO KILL** dog shelters. It saved more than 1,500 dogs in 2013 through the hard work of dedicated staff and volunteers. The rescue group saves all breeds and sizes; purebreds and mixes; big dogs and little. Our operating costs per year far exceed most other Rescues and Shelters because we often rescue the *most destitute* dogs which require extensive veterinary care and training.

Big Dog Ranch Rescue also has partnered with **Pets for Patriots**, an organization that connects homeless dogs with veterans and military personnel. Big Dog Ranch Rescue understands the positive impact dogs have on our lives so we are excited to help our military heroes find their perfect match and give these special pets a loving home.
