

Suncoast Superboat Grand Prix

Benefiting Suncoast Charities for Children
Photography by Ed Bertha

Suncoast Charities FOR CHILDREN

The direct and indirect overall economic impact of the 2014 Suncoast Superboat Grand Prix was calculated at \$17,228,300 (a 10.8% increase from 2013's \$15,549,300) and generated 15,900 room nights in area lodgings (up from 13,400 in 2013). 89.1% of out of county attendees surveyed said they visited the area due to the race and festival and not the July 4th holiday.

A special thanks to Kelly Gotha and the crew of the super yacht, Algorithm, for a fun day!
