

# Miracle At SUNCOAST

*Benefiting The Education Foundation of Sarasota County  
& The Florida Occupational Therapy Association*

The Education Foundation of Sarasota County partnered with the Florida Occupational Therapy Association (FOTA) for the Miracle at Suncoast on November 19th at Suncoast Motorsports.

More than 150 people came out to support the event that was held to provide valuable resources for students with special needs in Sarasota County Schools. The event featured student performances and a fashion show where students were driven down the runway in style.

The Education Foundation of Sarasota County, founded in 1988, serves more than 43,000 students in 52 elementary, middle and high schools. The Education Foundation is the leading advocate for an exceptional public education for all students in Sarasota County. With strong support from donors and the community, the Education Foundation undertakes significant, high impact projects and initiatives. The Education Foundation encourages donors with a passion for education to make an investment in providing new opportunities for student learning.

The event was coordinated by Lori Davis and JustaBasketCase.
